**Overview**

The Vermont Division of Vocational Rehabilitation (hereafter “DVR”) is a statewide direct service organization within the Department of Disabilities, Aging and Independent Living in the Agency of Human Services; DVR provides a wide range of employment-related services for people with disabilities. DVR is soliciting proposals for a two-year contract to:

1. Conduct, tabulate and report on one (1) survey to determine current consumer satisfaction with DVR services;
2. Conduct, tabulate and report on regular, ongoing consumer surveys to determine satisfaction with services from individual counselors as a part of DVR’s staff evaluation process.

To collect the necessary data for these surveys, the contractor will be required to: (a) conduct a telephone survey of a sample of consumers (of at least 700 consumers) as identified by DVR, and (b) conduct regular, monthly surveys of a random sample of consumers on individual counselor caseloads (represents approximately 800 surveys annually.) If requested by Covered Entity, Business Associate shall make its mitigation and corrective action plans available to Covered Entity.

**7. Providing Notice of Breaches.**
